

## Riding Centre Facilities

The centre has internal stabling in a covered barn with two Outdoor Arenas and easy access to excellent hacking and riding. We have a converted hayloft which we use for teaching and socialising. There is Wi-Fi Internet, a Tuck Shop and small Tack Shop, a disabled toilet and changing facilities. The Cairngorms Riding for the Disabled Group is also based at NRC and new or holiday clients are always welcome.

## History & Heritage Centre

Our family is the oldest breeder of Highland Ponies and are credited with being the Originators of Pony Trekking Holidays in 1952. The Ormiston Highland's Breeding Stud has been in existence for over 150 years in Badenoch. We are keen on Highland Pony Heritage and run related events occasionally.

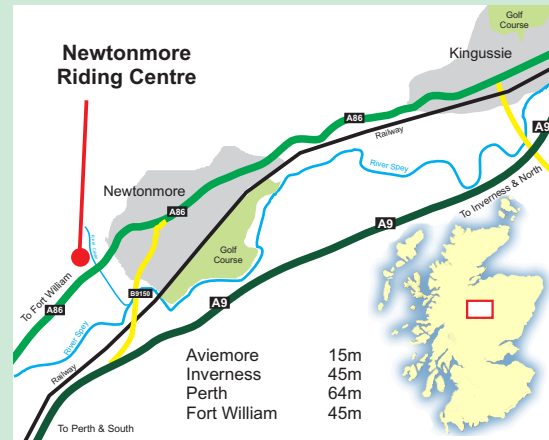

## Winter Time

We stay open year round whatever the weather and will offer Ski Joring, Sleigh Rides and other winter activities if we have snow.

## Finding Us: Directions & Map

The centre is located just outside the village of Newtonmore on the A86 Fort William Road travelling west, just over the River Calder.
